

GUIDELINES AND RULES FOR PARTICIPATION FOR POTTSVILLE BEACH MARKET STALLHOLDERS

1. Site Allocation:

Pottsville Beach Neighbourhood Centre (PBNC) gives priority site allocation to local producers. Individual sites are numbered on the reserve for easy access. Casual stallholder sites are allocated from approximately 6:30am at the PBNC Market Coordination Office (centrally located on the Coast Road side of the reserve under a gazebo with signage for easy identification). Casual stallholders are not permitted to set up or park on site until a site has been allocated. NB: One free **car or trailer** space is provided with each site.

Note: Vehicle movements ARE NOT permitted onsite after 7:15 am. All stallholders must have their vehicles parked by this time and vehicles onsite must remain stationary until 1:30 pm.

2. Registration:

~Casual stallholders: First-time stallholders can register attendance by phoning the Market Coordinator on 0431 201 469 Monday – Friday: 9:00am to 3:00pm), prior to the market Sunday nominated for attendance. This process allows us to record your contact and stall details, including local producer and insurance status. If you have booked to attend a market, you must also let the Market Coordinator know if your circumstances change and you will not be able to attend, to avoid being charged a Non-Attendance Fee.

~Permanent stallholders: Please notify the Market Coordinator if you will not be attending a market. Failure to do so may result in the loss of your site or you may be required to pay a Non-Attendance Fee (see below). You are not permitted to sub-let your site. You must notify the market coordinator by 1:00pm on the Saturday prior to the market.

3. Fees:

All stallholders must pay stall fees each market Sunday. A Tax Receipt will be issued. Casual stallholders are required to pay their fee at the Information Gazebo before site allocation. Permanent stallholders' fees are collected by PBNC community volunteers from 9:00am on the day.

7. Conduct at Markets:

Whilst conducting business stallholders and community groups are not permitted to spruik and must stay within their own allocated area and not intrude on others' areas. Grievances between individual stallholders must be settled offsite. Violent or aggressive behaviours such as verbal and physical abuse or threats to persons or property are not acceptable and will not be tolerated. **NB: If necessary, police will be notified. Inappropriate behaviour and or offensive language may also lead to expulsion from the markets and cancellation of your registration. N.B: The market reserve is an alcohol free zone.**

8. Health and Safety:

Emergency vehicle access areas are to be kept clear at all times. In the case of an emergency or an evacuation procedure, people will be notified and directed by the Market Coordinator through the public address system – in accordance with the PBNC Emergency Evacuation procedures and map (attached). PBNC community volunteers wearing PBNC t-shirts (and identified by name-tags) will be available to assist the public with any emergency procedures. First-aid kits and fire safety equipment (extinguishers) are available on site at the Market Coordination Office and at PBNC (a fire blanket is also located within the canteen at PBNC).

During each market, regular risk management checks will be made by PBNC staff and community volunteers (Market Coordination Team) to assess and control any health risks or hazards. This is in accordance with PBNC's Work Health and Safety procedures and is a requirement of PBNC's insurance cover.

Under Australian law, all stallholders are required to co-operate with any PBNC health and safety procedures to ensure a safe environment for **all** market attendees (including stallholders, market patrons and community volunteers/workers). **Market stallholders are to follow the direction of the Market Coordination Team at all times.**

9. Rubbish Removal:

Rubbish bins (recycle bins with yellow lids and general waste bins with red lids) are provided for the convenience of **MARKET PATRONS ONLY**. **Stallholders are responsible for the removal of any self-generated rubbish. PBNC is committed to reducing the environmental footprint of the Pottsville Beach Markets.**

10. Food Vendors:

Food vendors are to ensure that they comply with health regulations and use takeaway utensils, food containers and packaging that comply with PBNC's requirement for waste reduction, ie avoidance of plastics, and the provision of environmentally responsible substitutes. The Market Coordinator has a list of appropriate products for your reference.

<p>Non-compliance with the above rules may lead to expulsion from the markets and/or stallholder registration cancellation. PBNC reserves the right to refuse the registration of any stallholder.</p>
