fax: 02 6676 1484

E: pottsvillepreschool@bigpond.com

Hours of Operation:

9am to 3pm, weekdays during NSW school terms. **NB:** The preschool will be open to families from 8:30am to 3:30pm, commencing term 1, 2011

Since its establishment in 1988, Pottsville Community Preschool has become an integral part of its local community. Families can look forward to a friendly, dynamic preschool where their input is welcomed.

We are a small, family-centred service with a personal feel. Children are respected both as individuals and as members of the wider community. We support and value the diversity of all people within Australian society.

The preschool is a community-based, parent-managed service, which offers:

- Early childhood education and care, with close links to the local public school particularly with school transitioning
- Support for young children and their families, in active partnership with Pottsville Beach Neighbourhood Centre and other family and child-focused services
- A safe and nurturing environment to help children reach their full potential
- Highly qualified and dedicated staff, with a high staff :children ratio
- Opportunities for family involvement
- An enjoyable, challenging learning curriculum
- Excellent resources
- Programs based on an active learning approach
- Support and facilities for children with additional needs
- Positive relations with families

Pottsville Community Preschool acknowledges the importance of early learning and its role towards laying the foundation for all learning for life.
